Membership Application Form

Fordnutz is primarily a Cougar Club, however some of our members own other marquee Ford and Mercury vehicles as well, so we decided to expand the club to include other "ORPHAN FORDS" (Ford, Mercury and Lincoln cars and trucks that do not have an existing club). Our club is dedicated to the preservation of all Ford and Mercury vehicles from the 60's to the present. We do not require your vehicle to be in "SHOW CONDITION", as a matter of fact the best way to find that special vehicle, parts or restoration information and experience is by joining and participating in a club. If you are interested in joining our club, please print out the form, fill it out, and mail it, along with your membership dues to the address listed above.

We have several membership plans, please circle one:

- A 1 year regular Canadian Membership \$30.00 in Canadian funds.
- B Outside of Canada regular membership, the dues are \$35.00 in U.S. funds (this is to offset the increased costs of mailing outside of Canada).
- C 2 year regular membership \$50.00.
- D 2 year regular US membership \$60.00. In US funds
- E 1 year E-membership, where you would receive your newsletter via e-mail, \$20.00.
- F 2 year E-membership for \$35.00.

Make your cheque payable to Fordnutz Cougar Club. Your Membership card and cool window sticker will be sent with your first mailing.

Membership No: _____ Position: _____ Date: _____ CCOA Member #: _____
